ABBOT ACADEMY,

FOR YOUNG LADIES. SIXTIETH YEAR.

ANDOVER, MASS.

The full course of study covers four years, and embraces all the usual academical studies, special attention being given to Mental and Moral Philosophy, English and General Literature, the History of Art, and to the Latin, French, and German Languages. Superior advantages are afforded in Music, Drawing, Painting, and Elocution. Pupils are received for a single year or more.

This Academy enjoys many incidental advantages through the other literary institutions in the same village, while easy access to Boston and Cambridge brings within its reach fine Music, Art Galleries, Museums, Cabinets, and the Botanical Garden, to all of which, classes, with their teachers, have occasional access. The Academy has a fine Clark Telescope, good working cabinets, models, and apparatus of its own.

The domestic arrangements are peculiarly homelike. The school is divided into three separate families in separate houses, each under its own matron and teachers. One of these families is made up wholly of pupils in French, in which language the daily table-talk is carried on under the direction of the French teacher. Another family is occupied with German in like manner. The grounds are spacious and tasteful, forming an attractive part of the quiet and pleasant village.

The school has been successfully conducted for more than twenty-five years by the same principal teacher, whose constant endeavor is to so educate girls that they may mature into healthful, cultivated, earnest, Christian womanhood.

The total expenses for board, including fuel, lights and washing, and for tuition, except music and drawing, are **$300** per annum.

Wheaton Female Seminary,

NORTON, MASS.

Was founded by Hon. Laban Wheaton, of Norton, in 1834, in memory of his daughter, to be a school for Christian education. It is on the Boston, Clinton, Fitchburg and New Bedford Railroad (Old Colony, Northern Division), within an hour's ride of Boston, and is in connection with all important points by railway and telegraph. It is in a healthful village, entirely free from all temptations and excitements. It is not a large school, and gives, therefore, opportunity for familiar personal intercourse between teachers and pupils. It has a very choice reference library of over three thousand volumes, one of the best constructed and best furnished laboratories in the country, ample philosophical apparatus, an observatory with a fine telescope, and cabinets of natural history, all of which are accessible for study.

The design of the school is to impart an accurate, thorough and practical education. It especially aims, as it has done from the beginning, to base such education upon a hearty faith in the Bible, and a conscientious Christian life; and it is the endeavor that a pervasive Christian influence be constantly felt throughout the school.

The regular course of study for graduation covers four years, but pupils can join temporarily such classes as they are prepared to enter, without pursuing the full course.

The expense for the regular course, including tuition, board, room and heating, lights, washing (twelve pieces per week), $300 per year. The regular tuition of the daughters of clergymen and missionaries is remitted upon application before the beginning of a term.

Several scholarships of one hundred dollars each are provided for deserving pupils.

Further information, catalogues, etc., furnished on request to the Principal.

ATLANTA UNIVERSITY,

ATLANTA, GEORGIA.

Rev. HORACE BUMSTEAD, D. D., Pres't.

TO THE FRIENDS OF EDUCATION:

The education of the Freedman's children in the best elements of Christian manhood and womanhood is well exemplified in the work of Atlanta University, Atlanta, Ga. This Institution, having only about $28,000 of invested funds, and these mostly in the form of scholarships, seeks an endowment of at least $250,000. Among the reasons which justify the wisdom of such an endowment are these: —

The location of the Institution is almost exactly in the centre of the former slave population of the South, at the focus of all its railroad systems, and within the limits of one of its largest and most enterprising cities.

The property consists of four large brick buildings, with ample grounds, library of 6,000 volumes, apparatus, and industrial equipment.

The work combines in an unusual degree the studies of the school-room from the lowest to the highest, together with an extensive and thorough industrial training for both boys and girls. Inspiring all this work is an earnest purpose to develop the character of the students by a religious training at once Christian and unsectarian, through which they shall become fitted for positions of leadership among the people they represent.

The influence of the Institution is manifest in such facts as these: That it has 500 students, several hundred of whom teach in the county public schools every summer; that it has sent out nearly 200 graduates from its normal and college courses, two thirds of whom are teaching, about a dozen being principals of city schools, and that the leavening power of its work is spread throughout Georgia and surrounding States.

The management has been successful to a marked degree, as witnessed by the fact that its land, its buildings (which have been erected with great economy), and all other property are free from debt; by the fact that it has never closed a single one of its nineteen years of work with any of its current expenses unprovided for; and, further, by the fact that in the fifteen annual reports of the State Board of Visitors, appointed by the Governor of Georgia, its instruction and administration have been warmly commended.

The current expenses have been met: one fourth by payments of students, one fourth by an appropriation from the State of Georgia, one fourth by miscellaneous receipts, including appropriations from the American Missionary Association and Slater Fund.

The recent loss of the State appropriation of $8,000 a year, occasioned by the inability of the Trustees, either honestly or wisely, to draw a strict color line in the admission of students, as was required by the last Legislature, lays upon the University the necessity of soliciting at least $16,000 a year for current expenses and student aid. This burden can be removed or lightened only by an endowment.

Does not an Institution occupying so strategic a position for reaching the needy classes of the South, possessing, free from debt, so good an equipment in the shape of land, buildings, and apparatus, offering a course of training so well adapted to the needs of its students, having a record of such marked success in its instruction and administration for nearly a score of years, proving its fidelity to principle by the sacrifice of a valuable appropriation from the State when it could no longer be honorably retained, — does not such an Institution commend itself as worthy of a liberal and permanent endowment?

Form of Bequest. I give and devise to the Board of Trustees of the Atlanta University, at Atlanta, Ga., the sum of ——— dollars, payable, etc., etc. [Three witnesses.]

Further information can be obtained by addressing either of the undersigned.

TO S. S. SUPERINTENDENTS. — Until the above endowment can be secured, will not the scholars of your school help to make sure of the education of one of our students for one year by sending us from ten to fifty dollars?

HISTORY OF BILLERICA

WITH A GENEALOGICAL REGISTER.

THIS work, to the preparation of which the subscriber devoted more than four years, was published in 1882. It has borne the test of use and critical examination, and approved itself as one of the best of the town histories.

The early history has prominence, details being drawn from the well-preserved records of the town, with important additions gathered from the Massachusetts Archives, the Middlesex Registry of Deeds, Probate Records, and other sources.

A Map of Ancient Billerica shows the town as it was prior to the separation of Tewksbury, large parts of Bedford and Carlisle, and portions of Wilmington and Lowell. This map gives the location of the large early farms or grants, and of more than eighty families, or nearly all who were in the town before 1700, including the garrisons of 1676.

The Genealogical Register embodies all births, marriages, and deaths found in the town records prior to 1800 (in fact to 1840), with additions and connecting links, gleaned from gravestones, probate records, and many other sources; and early lines are brought down to date. All families bearing the names Farmer, Jefts, Kidder, Kittredge, Pollard, Shed, and Toothaker, whose lines in this country go back to 1700, will find their American progenitor in Billerica. Extensive branches were also here of the families of Crosby, Danforth, Farley, French, Frost, Hill, Manning, Parker, Patten, Richardson, Rogers, Stearns, and Whiting. Others, less numerous, but important and significant, are traced of more than sixty families. Lists of the soldiers in the early Indian wars, as well as the Revolution and the Rebellion, will be found, and nearly all the early families will find their representatives among them. Illustrations are given of the churches, schools, factories, a few old and some modern houses, and a very few portraits.

The Religious History is carefully traced, and interesting early records are recovered, illustrating the organization of the church, and fixing its date not before known. The long pastorates of Samuel Whiting, Samuel Ruggles, and Dr. Henry Cumings receive due attention.

To the sons and daughters of Billerica, scattered through the land, and to the large and increasing number who are interested in our local history and genealogy, this volume is confidently commended as worthy of their attention and patronage. It is a handsome octavo of 520 pages, and sold in cloth binding or in sheets, at the low price of $3.00 and cost of delivery (*by mail* 25 *cents*).

As the edition is limited, all who wish to secure it at this price will do well to send orders early to

HENRY A. HAZEN, Congregational House, Boston.

ALSO, BY THE SAME AUTHOR,

This work is a record of all the Congregational Churches in the State, giving dates of organization and memoranda of all the ministers of these churches in a unique and condensed form; of great convenience and value to all who are interested in the religious history of the State or the country.

The price is reduced to $1.00, including postage, and it may be ordered as above.

THE PASTORS OF NEW HAMPSHIRE,

A pamphlet supplementary to this work, gives the dates, in chronological order, of ordination and dismission of all these pastors, numbered so as to show at any date how many were in actual service. A few remaining copies will be sent for 50 cents each. Order as above.

RIPON COLLEGE,

WISCONSIN.

Ripon College was organized in 1863. Since that time it has made steady progress in providing buildings and furnishing them with the best facilities for instruction within reach, in manning its departments with able and devoted teachers, and in general reputation and influence.

It is the aim of the Institution to provide for the liberal education of young men and women, and in doing this to keep its standard fully up to that of the best Western colleges, and its methods of instruction in harmony with the most enlightened views of education. It aims also to furnish a thorough preparation for the pursuit of college courses, and to provide a sound, practical education for such as may desire to fit themselves for common-school teaching or for business. Its purpose is also to make the expense of pursuing a course of liberal study as low as is consistent with a high degree of excellence in its results, and thus to keep a liberal education within the reach of young men and women of limited means. It is likewise the earnest purpose to conduct the Institution on distinctively Christian principles, and to have it pervaded with a strong and healthy moral and religious influence. While aiming at the best results of intellectual training, its instructors ever bear in mind that character is more than these; that the development of character is an essential part of the work of an educational institution, and that there is no sound basis of character except in Christian principle.

Classical, Scientific, and Musical courses of study are provided, and thorough Preparatory and English Schools, under the care of the same Faculty, fit pupils for the higher courses. Supervision is constant, and self help is particularly encouraged.

Ripon is situated in the reigon famous for beautiful summer resorts, the healthfulness of its climate and absence of malarial diseases. Send for Catalogue to

Mason & Hamlin do not hesitate to make the extraordinary claim for their pianos, that they are superior to all others. They recognize the high excellence achieved by other leading makers in the art of piano building, but still claim superiority. This they attribute solely to the remarkable improvement introduced by them in the year 1882, and now known as the "MASON & HAMLIN PIANO STRINGER," by the use of which are secured the greatest possible purity and refinement of tone, together with greatly increased capacity for standing in tune, and other important advantages.

NOTE.

This YEAR-BOOK is issued by the direction and authority of the National Council of the Congregational churches assembled at Chicago in 1886.

"Every church and minister upon the rolls of the denomination" is entitled to share in the distribution of the YEAR-BOOK, by direction of the Council of 1877, under whose auspices it was first issued. It will be obvious, that for the very practical purpose of this distribution, "the rolls of the denomination" must be assumed to be the tables and list of the YEAR-BOOK. The claim of any church or minister to receive the YEAR-BOOK does not arise until they are reported by local authority by the Secretary of the Council. Errors excepted, no claim can be recognized outside of these lists.

The list of the officers and committees of the National Council will be found on page 355, and those of the various State organizations on those immediately following. Record of the various benevolent societies, with the addresses of their officers, may be found on pages 49–61; and of the theological seminaries, with their professors, on pages 63–80.

The next session of the National Council will be held in 1889, with the Plymouth church, in Worcester, Mass., beginning Wednesday, October 9.

INTRODUCTORY.

The Year-Book comes to the churches with important changes in date and matter. Hitherto, the last published statistics of the several States, varying in dates, through the previous year, have furnished the matter for the compilation which has been issued near the beginning of each calendar year. The variety of dates and the long time which elapsed between the collection and issue of some of these statistics diminished their value. The National Council at Chicago, 1886, undertook to remedy the evil by recommending: (1) That the statistics should all bear a uniform date; (2) that the date should be Jan. 1; and (3) that all should be collected and published as soon as possible thereafter. It was also provided that a second table should be introduced, to be devoted to itemized reports of benevolent contributions and Sunday-school statistics, with the names of the superintendent and church clerk.

The transition to the new order has necessarily involved embarrassment and delay. To reach the new date of reports, a period must be included varying from fifteen months in some States to two full years in others, and such exceptional reports have not been always easily and promptly secured.

Minnesota declined to furnish the fractional part of a year, and the four months, September to December, 1887, cannot be covered by the Year-Book record of that State. The same is true, substantially, of Illinois, though the reports of some churches, probably, cover the twenty months. And in Kansas, some of the churches marked (†) report only to September, 1887, while the others report to Jan. 1, 1888. It would not be safe to say that some other churches do not report for a year only, instead of the longer period called for. But the general response to the request of the Council has been very gratifying, and the results need hardly more than the usual discount for inaccuracy. In cases where the table includes two full years, the churches made their report as usual, for each year, and the two reports were combined by the State secretaries. All the New England States except Maine belong to this class. This, and other requirements of the transition, have added not a little to the labors of these brethren, and the cheerfulness and patience with which they have met the situation deserve emphatic recognition.

In the new table of Benevolence and Sunday Schools only the year 1887 is included. Many churches, most in fact, could not divide their gifts for a year without great uncertainty and risk of injustice; and as several of the columns were new, they would not connect or compare with anything in the previous issue. By a misunderstanding not discovered until too late for correction, Michigan does include twenty-one months

in this table; but to secure a proper basis of comparisons only four sevenths of the totals thus reached are included in the summary tables. In Alabama also the items of benevolence include two years, but the totals are only for 1887.

That the work could be done and the YEAR-BOOK issued in May was probably the expectation of some, and the hope of more, who favored the change; but those who best understand the conditions involved could hardly have shared such anticipations. The reports of Connecticut, Kansas, Massachusetts, Michigan, and Ohio — a list which includes the three largest States, Congregationally measured — were not received till May, three of them after the middle of the month; and the manuscript form, in which tables and lists have been received this year, has added considerably to the labor and time necessary in editing and comparing final results. The new order brings the heavy work of the large States at the end, and thus adds appreciably to the time needed after last reports are in before the end can be reached; and in previous years, two months has seldom been as little as this final editorial work has demanded.

It is not unreasonable to look for an earlier issue of the YEAR-BOOK in future. Clerks and secretaries will have a simpler task, will understand it better, and will, doubtless, do better; and the success of the Council's effort at improvement is not to be judged by the delays of a transitional and experimental year.

The State secretaries hold a place in our system the significance of which is not always appreciated. In fact, as the new order brings more clearly to view, they are assistant editors of the YEAR-BOOK, and it will aid them in doing their work if they bear this fact in mind. Their tables go to the printer in manuscript, and the more carefully and minutely they conform to the YEAR-BOOK's items and arrangements, the less time and labor need to be expended on them; the more clearly every letter or figure is written, the fewer errors and corrections. Their columns call for accurate addition, but they do not always get it. The new table of benevolences provides for cross additions, which will prove the accuracy of the work, as the sums by churches and by causes should be identical. But in several of the States this work had to be repeated to secure consistent totals; in one State less than half of the churches were correctly added.

The list of ministers needs the most vigilant supervision of the local secretaries. The Minnesota secretary furnished to the YEAR-BOOK not only a list of the ministers connected with his State association, but accounting as far as he was able for every name found in the last YEAR-BOOK in his State. Is there any reason why all should not do the same? It would relieve the labors of the editor, and contribute greatly to the thoroughness of the results reached, if every secretary would report upon every name in the YEAR-BOOK from his State. Each one needs the help of others in this way for suitable sifting of his own roll and care for his wandering brethren. And each secretary is the servant, not simply of the body which appoints him, but of all the churches; whatever he can contribute to the widest fellowship and good order he may well be glad to do. The completeness of the YEAR-BOOK's record of many names on the list is the contribution of two State secretaries, perhaps remote, each

giving what he knows. The incompleteness in other cases would be supplied if some secretary had furnished what he knows well. Brethren, the ambition to make our YEAR-BOOK as perfect as possible belongs properly to every one of you; and many of you, I am sure, recognize it.

And not to the State secretaries only; the scribes of local associations and conferences have less consideration than is their due in our working forces. Their reports to the State secretary are of fundamental importance. Their careful and accurate work reappears in the YEAR-BOOK; their careless omissions or insertions do the same; and of the latter there are too many. Every issue of the YEAR-BOOK is followed by a number of reproachful questions: "Why is my name starred or omitted?" and the explanation is often, that a brother's name is not reported by the scribe of the association to which he belongs. On the other hand, three or four names drop from the list this year of men from whom an inquiry for the date of ordination brought the reply, that they had not been ordained. Of course they were out of place by the carelessness of some reporter who had entered a licentiate or local preacher's name without inquiry. It is not safe to insert any new name without the *date* of ordination as a testimony to the fact.

The Council at Chicago provided for a new system of classifying and reporting the ministers. Those formerly known and reported simply as pastors, who had been ordained, recognized, or installed by council are to be designated as pastors by council and marked *p. c.*; while another class of ministers called by vote of the church, and recognized as pastors "by some specific act of the church," were to be designated as pastors, and marked *p.* The reports under this new head will be examined by many with more curiosity than satisfaction. That the limitations prescribed by the Council have not been remembered is evident in States where every minister, substantially, however transient and informal his engagement, is a pastor by "council" "or otherwise."

The importance of the action of the Council in regard to the YEAR-BOOK and its statistics, and upon the subject of ministerial standing, justifies the repetition of its resolutions this year. Many of the reports from the churches were made without a sufficiently clear understanding of them.

The committee on the Secretary's Report, the Rev. A. H. Ross, D. D., chairman, included the following resolutions in their report, and they were adopted: —

Resolved, (1) That the statistical year of our YEAR-BOOK be the civil year.

Resolved, (2) That for and after the year 1888, the YEAR-BOOK be issued as soon after the first of January as is practicable, and that it contain the statistics of the preceding year.

Resolved, (3) That for and after the year 1888, the YEAR-BOOK contain the charities of the churches in detail, the charitable legacies paid during the year, and the statistics of the Sunday schools.

Resolved, (4) That the church clerks be asked to forward their statistics to the proper secretary as early as the fifteenth day of January of each year.

Resolved, (5) That we recommend that in the State Minutes the churches be arranged alphabetically, on the plan of the YEAR-BOOK.

Resolved, (6) That absent church members be considered such as have removed their residence beyond the natural limits of the parish in which the church is located; from which the following persons should be excepted: such as are away at school or

college, such as are on extended journeys, and such as are otherwise temporarily absent.

Resolved, (7) That in the enrolment of families, all that recognize a minister as their pastor, or who naturally look to him in preference to any one else for ministerial services, should be included.

Resolved, (8) That we recommend to the churches to look up their absent members; to urge on them the duty of taking letters to other churches; to notify some church, where the absent are living, of their church standing, with the request that the said church watch over them; and, in case of continued neglect or refusal to transfer their membership, to deal with them as Christian wisdom and love may dictate.

The report of the committee on the Pastorate and Ministerial Standing, Rev. R. G. Hutchins, D. D., chairman, embodied resolutions which were amended and adopted, as follows:—

Resolved, (1) That standing in the Congregational ministry is acquired by the fulfilment of these three conditions: namely, (1) membership in a Congregational church; (2) ordination to the Christian ministry; and (3) reception as an ordained minister into the fellowship of the Congregational churches, in accordance with the usage of the State or territorial organization of churches in which the applicant may reside; and such standing is to be continued in accordance with these usages, it being understood that a *pro re nata* council is the ultimate resort in all cases in question.

Resolved, (2) That all Congregational ministers in good standing in their respective States, who have been installed by council, or who have been regularly called to the pastorate by the specific vote of some church, have formally accepted such position, and have been recognized as such by some definite act of the church, should be enrolled as pastors; and we advise that all our denominational statistics, and direct that, so far as possible, our YEAR-BOOK conform to this principle.

Resolved, (3) That this National Council commends to the churches, in accordance with our ancient usage, the importance of properly called ecclesiastical councils, ordinarily selected from the vicinage, and especially the great importance of the installation of ministers to the pastorate by councils, when it is practicable, as conducive to the purity of the ministry and the prosperity of the churches.

Resolved, (4) That the State organizations and local organizations of churches be recommended to consider such modification of their constitution as will enable them to become responsible for the ministerial standing of ministers within their bounds, in harmony with the principle that the churches of any locality decide upon their own fellowship.

Resolved, (5) That the YEAR-BOOK designate pastors who have been installed or recognized by council called to examine the pastor-elect and assist in inducting him into office, by the letters *p. c.*, and pastors otherwise inducted by the letter *p.*; it being understood that these changes shall be first made in the YEAR-BOOK for 1888.

The churches make reports January 1 to their local secretaries, which come in due course to the YEAR-BOOK. If after that date prompt notice of every change were sent to the editor, it would contribute very much to the completeness and accuracy of the record, which the YEAR-BOOK always tries to bring down to date of issue. Will not every minister and every church heed this request, and after January 1 notify me of every ordination, installation, accepted call, dismission, change of residence or of ministerial supply?

TREASURER'S STATEMENT.

KNOWLES FUND.

The legacy of ten thousand dollars, left by Mrs. Helen C. Knowles, of Worcester, for the benefit of disabled clergymen, has been received by the treasurer, and, with the approval of the Finance Committee, invested in securities yielding from five to seven per cent interest. The cost of the securities, including premium, accrued interest, and all expenses thus far, has been $10,192.75. The income since the investment has been $778.36, leaving on hand for distribution under the direction of the committee, $585.61.

TREASURY.

The following schedule shows the present standing of the several local bodies as related to the National Treasury. The assessments, as ordered by the Council, are for each civil year, on the whole number of church members reported in the Year-Book of the previous year, and are due on the first of July of each year. So long as a large percentage is discounted for the delay or failure of payment by some States, the States which pay promptly must also pay disproportionately. The readiness with which some have done this without complaint is worthy of high commendation, and the disposition to fall into line and pay promptly is steadily increasing. When all do this it will be safe to lower somewhat the percentage of the assessment.

As the Year-Book for 1888 is not yet issued, the treasurer cannot determine the quotas for 1889, or give a reliable view of the condition of the treasury when the bills for the publishing of the Year-Book shall be presented and paid.

The following schedule, therefore, gives only the sums which are past due from the several States, and the sums which are due for the present year and are yet unpaid. It will be seen that nearly *four thousand* dollars is still due for the present year, while more than three thousand dollars remains unpaid of the assessments made previous to 1888.

A vigorous and judicious effort on the part of those who are most immediately interested would quickly change this aspect of the case and enable the treasurer to present a more satisfactory statement.

Note. — The limitations of the tables do not in all cases admit exactness. In the table of theological education, students who did not graduate are counted, and without distinction from graduates; but a name occurring in more than one seminary list is not repeated; and in the college lists, a few students who were not alumni are counted with the graduates.

The editor renews his earnest request to friends and to the secretaries of the State bodies for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond, it is impossible to use here.

AMERICAN BOARD OF COMMISSIONERS FOR FOREIGN MISSIONS.

Founded in 1810.

President. — Richard S. Storrs, d. d., ll. d., Brooklyn, N. Y.
Vice-President. — Eliphalet W. Blatchford, Esq., Chicago, Ill.
Corresponding Secretaries. — N. George Clark, d. d.; Edmund K. Alden, d. d.; Judson Smith, d. d.
Field Secretary. — Charles C. Creegan, d. d.
Treasurer. — Langdon S. Ward.
Editor of Missionary Herald. — Elnathan E. Strong, d. d.
Publishing and Purchasing Agent. — Charles E. Swett.
P. O. Address of the above, 1 Somerset Street, Boston, Mass.
District Secretaries. — William Kincaid, d. d., 39 Bible House, New York City. Simon J. Humphrey, d. d., 151 Washington Bd., Chicago, Ill.

The American Board, the oldest Foreign Missionary Society in the United States, was formed at Bradford, Mass., June 29, 1810, and held its first meeting at Farmington, Conn., Sept. 5 of the same year. Its mission fields now occupied are Northern and Western Mexico; the Hawaiian and Micronesian Islands of the Pacific; Northern and Southern Japan; Northern China; Shanse in Northwestern China; Foochow and Hong Kong in Southern China; Ceylon; Madura in Southern India; the Marathi field in Western India, including the important centres of Bombay and Ahmednagar; East Central Africa; the Zulus of Southern Africa; West Central Africa; Eastern Turkey, from Mosul to Erzroom, including Mardin, Bitlis, Van, and the educational centre, Harpoot; Central Turkey, including the important cities of Aintab, Adana, and Marash; Western Turkey, from Trebizond to Constantinople, including Marsovan, Sivas, Cesarea, Smyrna, Broosa, Nicomedia, and Adabazar; European Turkey, from Constantinople to Samokov in Bulgaria, including Monastir in Macedonia and Philippopolis in East Roumelia; Austria, emphasizing the Bohemian work in Prague; and Northern and Northwestern Spain, this work centring in San Sebastian, on the Bay of Biscay, and in Zaragoza, in the Province of Aragon.

This wide-extended work embraces direct evangelistic effort through missionaries and native helpers; an immense educational trust, exteuding from the primary school to the college and theological seminary; Sunday-school instruction; the preparation, publication, and circulation, in different languages, of books, tracts, and newspapers; assistance in the erection of buildings for churches and schools; grants in aid to feeble churches and to native home-missionary societies; the humane service of missionary physicians, sometimes in the care of large dispensaries and hospitals; also charitable ministry, continuous and varied, to the sick, the poor, and the oppressed.

Pastors, in presenting the foreign work to their churches, are desired to emphasize this fact, — that these several departments of labor on the foreign field are carried on under one administration, and that contributions, therefore, should be proportionately enlarged. If one half of the benevolent contributions of the churches should be given to this broad work of reaching the unevangelized millions of other lands, it would probably not be too large a proportion.

The Woman's Boards, which co-operate with the American Board, are doing a royal service, not only securing — mainly from the women of the churches — large contributions, — the annual average of which, during recent years, has been over $130,000, — but also educating and training children and young people to an intelligent interest in missionary work. These Boards can be addressed at No. 1 Congregational House, Boston, at 53 Dearborn Street, Chicago, and at 901 Sutter Street, San Francisco.

The latest statistics of the American Board report 22 missions, 980 stations and outstations, 461 missionaries and assistant missionaries, 2,037 native laborers, 325 churches, with over 28,000 members, — nearly 3,000 of these received on confession of faith during the past year, — 98 high schools and seminaries for young men and young women, with nearly 6,000 students, and a total of over 41,000 children and youth under Christian instruction. The appropriations for 1888 already amount to over $600,000, and it is desirable that the receipts for this year should reach, if possible, $770,000, — a thank-offering of $10,000 for each of the 77 years of our history. An average advance in donations of about fifty per cent will secure this honorable

record. Attention is called to the *Missionary Herald*, the *Mission Dayspring*, and *Life and Light;* also to the *American Board Almanac* and to the CHILDREN'S MORNING STAR MISSION, a special for Sunday schools. Our main instrumental reliance is upon the pastors of churches, themselves full of missionary information and zeal.

Boston, Mass., October 1, 1887.

AMERICAN COLLEGE AND EDUCATION SOCIETY.

FORMED by the union, in 1874, of the "American Education Society," and the "Society for the Promotion of Collegiate and Theological Education." The American Education Society was organized and received its charter from Massachusetts in the year 1816. The College Society, as the other organization was popularly called, was formed in 1843. It was for years a voluntary association without a charter. In 1872 it received a charter also from the State of Massachusetts. These two organizations were brought together under a new charter from the same State in May, 1874.

OFFICERS, 1886-7. (Office, No. 10 Congregational House, Boston, Mass.)

President. — Hon. NATHANIEL SHIPMAN, of Hartford, Ct.
Vice-President. — SAMUEL HOLMES, New York City.
Secretary. — Rev. JOHN A. HAMILTON, Boston.
Treasurer. — JAMES M. GORDON, Boston.
Assistant Treasurer. — Rev. A. H. CLAPP, D. D., Bible House, New York.

Income for the year ending April 30, 1887, $57,994.31. Of the whole income $27,370.66 was contributed for colleges and paid to them. The sum of $19,042 was paid to students fitting for the ministry. The expenses were $5,605.36, leaving a balance of credit, $2,010.91.

In both departments the Society has had a large agency in the formation of society throughout the great West. The men who were pioneers in the work of preaching the gospel in the new settlements, and in the founding of churches and schools, were largely educated by this Society. The colleges, which are now among the foremost in these Western fields, were largely built up by the same agency.

The whole number of young men assisted by the Society in their studies for the ministry since 1816 is 7,237. The institutions at the West which have been assisted by the society since 1843 are the following, viz.: Western Reserve, Illinois, Wabash, and Marietta Colleges, and Lane Theological Seminary. These five are the institutions which the Society took under its care at the beginning, in 1843. Those which have since been received on the list are Knox, Beloit, Thayer, Wittenburg, Oberlin, and Berea Colleges, the College of California, Pacific University, Olivet, Ripon, Iowa, Carleton, Doane, Drury, Washburn, and Colorado Colleges, Pacific Theological Seminary, and Yankton College.

Those at present on the Society's list are Colorado, Doane, Pacific University, Rollins, Whitman, and Yankton.

The number of young men receiving assistance from the Society during the last financial year is 291.

At the time when the Education Society began its work of helping young men into the Christian ministry, in the year 1816, the condition of things in this country was very peculiar. The great movement of emigration toward the West was setting in with strength. The American Board had been organized a few years before, and the cause of foreign missions was taking strong hold upon the churches. But "the laborers were few." Ever since the close of the Revolutionary war, the churches had been in a confused and preoccupied state, and the number of men coming forward for the work of the ministry was alarmingly small. It was in such a state of things that this Society began its enterprise. Through the aid thus afforded, and through the impulses thus imparted, a host of living preachers was raised up to go with the moving colonies out into the fields of the West, or to go far hence to the Gentiles, to proclaim the Gospel of salvation through Jesus Christ. A work of inestimable importance for the Christianizing and civilizing of our own land was accomplished by this instrumentality. The ministers raised up by this Society became to a large extent the pioneers in the way of founding churches, schools, colleges, throughout all those Western fields, while in foreign lands half the missionaries laboring under the care of the American Board had been brought forward in the same way.

FORM OF BEQUEST.

I do hereby give and bequeath to the "AMERICAN COLLEGE AND EDUCATION SOCIETY" the sum of —— dollars, to be paid within —— months after my decease, and to be applied to the uses and purposes of that Society.

☞ Thirty dollars constitutes an honorary membership.

THE AMERICAN CONGREGATIONAL ASSOCIATION.

Organized, 1853. Chartered, 1854.
Headquarters, Library, Congregational House, Boston.

OFFICERS.

President. — Hon. RUFUS S. FROST, Chelsea.
Corresponding Secretary. —
Treasurer. — C. C. BURR, Auburndale.
Librarian. — Rev. WM. H. COBB, Newton Centre.
Recording Secretary. — Rev. DANIEL P. NOYES, So. Byfield.
Assistant Librarian. — Miss MARY E. STONE, Chelsea.

Directors. — EDWARD A. STUDLEY, Chairman; ALONZO H. QUINT, D. D.; HENRY M. DEXTER, D. D.; N. G. CLARK, D. D.; FRANK WOOD; M. F. DICKINSON; S. BRAINARD PRATT; I. N. TARBOX, D. D.; Rev. JOSHUA COIT; MORTIMER B. MASON; Rev. B. F. HAMILTON, D. D.; CHARLES A. RICHARDSON; Rev. DAVID GREGG; WM. H. HODGKINS, with the Secretaries, the Treasurer, and the Librarian.

OBJECTS.

To preserve, improve, and promote the best use of the Congregational Library; to care for the Congregational House, and remove the incumbrances upon it; to further the general interests of Congregationalism.

FINANCES.

The Association owns the Congregational House, Boston. This was bought in 1871 for about $300,000; the expense of refitting was about $125,000 more. Present debt, $184,500, funded at four per cent interest. The income from rents meets current expenses, and at present is slowly reducing the debt.

THE LIBRARY.

This numbers 34,000 volumes, and above 140,000 pamphlets. The reading-table contains the leading British and American reviews and religious magazines, with many valuable secular periodicals. The building is a fire-proof structure, entirely separable from the rest of the house, and admirably adapted to its purpose. The collection is already of inestimable worth, especially in all matters pertaining to the fathers of New England.

THE PAST YEAR.

An eloquent blank space in our list of officers indicates the severe loss which the Association has sustained by the decease of Rev. Dr. Langworthy, to whom, more than to any other one man, its present prosperity is due. This is not the place for eulogy, but the solid granite of the Congregational House will abide as his fitting memorial.

During the year, $2,500 has been paid on the debt, an addition to the House (for the use of the American Board) has been built and paid for, and current expenses have been promptly met. The growth of the Library has been steady, and the outlay for periodicals has been more than doubled. The Library is being used more and more by students.

PRESENT NEEDS.

1. *The Treasury.* — Every contribution to this Association aids each of the seven Congregational benevolent Societies; for as soon as our debt is paid, these Societies will have a permanent home, free from rent. Three of them have their principal office, the other four their Eastern office, in this building.

The debt of the Association has been reduced nearly thirty per cent during the last fifteen years. Experience forbids us to expect the "one fair contribution from every church," so often requested in vain; but we do appeal to all Congregationalists who love the kingdom of our Lord, to wipe out this debt, and thereby most evidently promote that kingdom. The strength of the appeal resides in the simple facts just recited.

2. *The Library.* — The books most needed here are eagerly sought for by other collectors. Although our Library is by far the best in America in its specialities, and also rich in the "books out of which other books are made," it has many and great deficiences, which can only be made up by *money*, liberally provided and carefully expended. We no longer desire to glory in the fact that the Library is increasing without the expenditure of a dollar. Let us change all this, as we are abundantly able to do. Let every pastor stir up the liberally-minded in his parish, showing them the value of this investment. Let every Congregationalist who has published anything see that the Library has his works in full. Let gifts pour in according to our several ability; not only into the general treasury, but also specifically for the Library. If every one who reads these words will immediately do what he can, this will be a prosperous year for the cause we all have at heart.

WM. H. COBB, *Librarian.*

Halsey, Mr. John Wiley, George Wilcox, Esq., 1886 to 1889.

Financial Statement. — Balance on hand for church building, May 1, 1887, $31,096.48. Total receipts for church building from May 1 to Dec. 31, $74,563.08. Total resources for eight months for church building, $105,659.56.

Paid to aid in completing 73 churches, from May 1, to Dec. 31, $63,101.28. Other disbursements, $9,774.39. Balance on hand Dec. 31, $32,783.89. Pledged Dec. 31 to 78 churches, $49,731.23. Pledged in excess of funds, $16,947.34.

For parsonage building, balance on hand May 1, 1887, $17,297.92. Receipts for parsonages from May 1 to Dec. 31, $6,637.33. Total recources for parsonages for eight months, $23,935.25. Paid 35 parsonage loans, $12,156.00. Pledged to 20 parsonages, $5,420.00. Balance in treasury for parsonages, Dec. 31, 1887, including amounts pledged, $11,779.25.

During the last six years the Union has had generous consideration from contributing churches and individual givers. The receipts reported in 1882 were $51,322.28. The last whole year of its work has brought nearly three times that sum into the treasury.

All this while, the demand has been outgrowing the enlarged receipts. The reason is apparent to every observer of the rapid relative growth of cities and other large centres of population. It costs to build churches in cities. It costs more not to build them. It is a choice between paying preachers or policemen; between ruined multitudes and saved thousands.

To make every dollar put into this more expensive work go as far as possible, the Union has in successful operation a "Loan Plan" both for church and parsonage building.

A loan for five years of $250 secures a parsonage now, and every five years hereafter.

A loan of $1,000 secures a church as soon as it can be built, and one every five years, to the end of time. Where can money be put to better use?

The Treasurer's statement shows how the work is loaded. The first work is to finish what has been begun. Shall we stop there? Must the 500 unhoused churches remain so? The Union is the servant of the churches. The work demands, at the very lowest, $200,000 a year. Shall we expect it?

The Union has changed its time of closing its books, making its annual reports and electing its officers from April 30 to December 31. Hereafter, its books open for work, January 1, and close December 31.

The report presented this year is for eight months. They are shown by the above statement of the Treasurer to be the best eight months the Union has ever had. Every one of the eight months made a gain in receipts over the corresponding month in the year preceding. The total gain of the eight months was $31,998.35. The total receipts of the whole year 1887 were $152,693.54. This is more than $29,000 ahead of any year thus far.

Notwithstanding this, the Board was never more urgently pressed with calls which it cannot answer, for want of funds. The first docket of the new year called for more than $30,000, and the Board could not vote more than one fifth of that sum. Delay in such cases is damaging to a perilous extent. Houses begun in faith and carried as far as funds will allow, are in actual danger of being sold under the hammer if we cannot aid the churches that are struggling to build them. Sometimes money is borrowed at high rates to carry forward the work. So long as five hundred of our churches have no house of worship, we are in little danger of having a surplus. The Lord's work is growing. New centres of life are constantly forming The Home Missionary Society could quickly double its work if the churches could be made to see their duty in furnishing the funds. One of the most economical and permanently certain ways of increasing our power on the frontier is to house the churches we have, and thus bring them to self-support.

The HOME MISSIONARY, a monthly magazine, published by the Society, at sixty cents a year, including postage, gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. The monthly issue is 26,521 copies. An ANNUAL REPORT sums up the results of the year. Leaflets and Tracts for the times are published as occasion calls, designed to help pastors, Sunday-school officers, and friends of Home Missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at the Bible House.

For more than sixty-two years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and highest usefulness.

In connection with the labor of its missionaries, 4,951 churches have been organized and 2,430 have come to self-support. It has collected and disbursed in cash, $11,586,692.20; and in clothing, books, and other supplies, largely the offerings of Christian women, $1,660,103; in all, $13,246,795.20. The additions to the churches have been 345,973.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home-missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of teachers in the Indian Territory and elsewhere, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed. The Woman's Home Missionary Association, having its office in Boston, is rendering valuable assistance to the Society in its educational work.

The number of missionaries employed in its sixty-first year (1886–7) was 1,571, nearly 1,100 of them in States and Territories west and south of New York. They preached regularly in 3,063 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 130,000. The additions to the churches were 10,031; 6,469 of them on confession of Christ. Churches organized, 135; reached self-support, 63.

The sixty-first year's receipts were in cash, $482,979.60; in supplies, $71,103.62; in all, $581,248.30.

At least $550,000 *in cash* is needed this year properly to sustain the missionaries *now in the field*. To take up only such new work as the providence and Spirit of God manifestly call upon the Society to assume *at once*, $100,000 more is imperatively required. The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting of the Executive Committee chosen men are sent to new fields at the front, where they are most needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land.

Calendar. — The annual period of study is divided into three Sessions. The last Session of the present Seminary year will commence on Monday, March 26, and continue till the Anniversary, Thursday, June 14. The next Seminary year will begin on Thursday, September 6.

Course of Study. — The Junior year is devoted mainly to Biblical Exegesis and Introduction; the Middle year to Biblical and Systematic Theology; the Senior to Sacred Rhetoric, Pastoral Theology, and History of Christian Life and Doctrine. Systematic Theology is begun in the first year; also Biblical History, which is continued through the second. Lectures on Christianity and Science, the Scriptures, Elocution, with exercises in Rhetoric and vocal culture, continue through the course. Opportunity is given for instruction in Syriac, Arabic, and other cognate Oriental languages.

Fourth Year for advance study. Each member of the Advance Class chooses his studies, subject to approval by the Faculty, and receives from the professors in the departments chosen personal direction and assistance. Special facilities are afforded for private reading and research. Lectures are given to the whole class on topics pertaining to the higher and more difficult questions which are engaging the attention of Christian scholars and pastors. Ten scholarships ($200.00 each) are available for members of this class.

Library and Museum. — The Library now numbers more than 45,000 volumes, is constantly increased, and is open every week-day for the examination and drawing of books. A full reference library has been opened on the ground floor of Brechin Hall. The Museum comprises objects relating to missionary life and work, a monumental slab from Nimrûd, a relief model of Jerusalem, and a large and choice collection of Palestinian birds, animals, flowers, coins, inscriptions, photographs, etc.

A well-furnished Gymnasium is open to the use of the students.

Location. — The Seminary was located with a view to the advantages of uninterrupted study. These advantages have been retained, and are accounted of increasing value. At the same time, through the rise and growth of cities in the immediate vicinity, the students of the Seminary have special opportunities for studying the various conditions of church work, and the different methods of preaching. Andover is within four miles of Lawrence, ten of Lowell and Haverhill, fifteen of Salem, and twenty of Cambridge and Boston. The situation is remarkably healthful.

For information respecting Conditions of Membership, Honorary Scholarships, the Winkley and Seminary Fellowships ($600 each), Expenses and Pecuniary aid, see Catalogue, which may be obtained by applicaiion to the President of the Faculty.

BANGOR THEOLOGICAL SEMINARY, Bangor, Me.

This institution was chartered by the Legislature of Massachusetts in February, 1814, and was opened for students in October, 1816. It has been in constant service since, and has graduated several hundred pastors, missionaries, teachers, editors, and college presidents and professors.

FACULTY OF INSTRUCTION.

Levi L. Paine, D. D., *Ecclesiastical History.*
John S. Sewall, D. D., *Sacred Rhetoric.*
Lewis F. Stearns, D. D., *Systematic Theology.*
Rev. Charles J. H. Ropes, *New Testament Language and Literature.*
Rev. Francis B. Denio, *Old Testament Language and Literature.*

Terms of Admission. — Bangor Seminary is open to all denominations of Christians. Candidates for admission must produce testimony of their church membership and of their collegiate education. If they have not pursued a college course, they will be examined, and must exhibit mental training and attainments sufficient, in the judgment of the Faculty, to warrant their entering upon a course of theological study. Those whose age or circumstances forbid the pursuit of the complete course of study may, at the discretion of the Faculty, be admitted to the studies of the Middle year, and continue their course with the full privileges of the Seminary.

Course of Study. — *Junior Year*, Hebrew Grammar, Principles of Interpretation, Exegesis of the Hebrew and Greek Scriptures; New Testament Greek; Introductory Philosophy, with text-books and lectures; Essays, and Lectures on Style and English Literature.

Middle Year, Systematic Theology; Ancient Church History; Exegetical studies continued; New Testament Greek continued; Vocal Culture and Oratory.

Senior Year, Mediæval and Modern Church History; Homiletics; Pastoral Theology and Church Polity; Exegetical studies continued; New Testament Greek continued.

The Department of New Testament Greek has been added to the usual course in order to supplement the department of Exegesis by grammatical and lexical study of the language of the New Testament. It provides instruction for those who enter the shorter course with only a rudimentary knowledge of the Greek.

Preaching — As it is believed to be conducive to the best professional training to combine practice with theory, students are encouraged during the Senior year to preach as opportunity offers, and so far as they may without interfering with their Seminary duties. They usually take a license to preach at the close of the Middle year; and during the vacation are employed as missionaries of the Maine Missionary Society. Through the remainder of their course they are frequently called upon to supply vacant churches or missionary outposts.

Post-graduate Scholarships. — Two scholarships have been recently established for graduates of this Seminary. One is in Bowdoin College and is for the purpose of aiding any student who, after graduating in the Seminary, desires to take a post-graduate year in the College. The other is for the benefit of any student who wishes to take a fourth year of study in the Seminary.

Expenses. — There is no charge for tuition, rooms, furniture, library, or any privilege of the Seminary. The dormitory has been thoroughly repaired and refitted. The rooms are carpeted and furnished. The income of the Washburn fund and some other funds, given expressly to aid members of the Seminary, will be distributed to those who need, and will amount to about half the expense of board.

Library. — The Seminary has an excellent library, numbering sixteen thousand volumes, specially selected to meet the wants of the students. There is a permanent library fund, with the income of which constant additions are made of the latest and most valuable literature.

The next anniversary will occur on Wednesday, June 6, 1888.
The next seminary year will open on Thursday, Sept. 13, 1888.

The Middlers have four exercises a week in Theology, two each in History, Hebrew, and Greek, and one each in Homiletics, and Elocution. The Seniors have three exercises a week in Homiletics, two each in Hebrew, Greek, History, and Theology, and one in Pastoral Theology, besides private exercises in Elocution. The German and the Scandinavian Departments. — Students in these departments, which are under competent instructors, take the regular or special course in the English language, according to their grade of preparation, that they may be able to preach also in English. They are, however, excused from some English studies, principally of a homiletical or practical kind, in place of which they attend such exercises in their own native languages as are best adapted to prepare them to minister to our German or Scandinavian fellow-citizens.

Examinations.—In each year there are two public examinations, oral and written, of all the classes.

The Alumni Institute will be held this year in anniversary week, April 24.

Hammond Library.— This contains the General and the Reference Library with over 8,500 volumes, and the Reading Room. Both of the latter are furnished with the best helps for students, and are open daily. There is also a special arrangement for the use of the Chicago Public Library, which offers 140,000 volumes, many of which are rare and valuable sets of reviews and important works of reference.

Expenses.— No charges are made for instruction, the rent of rooms, or for the use of Hammond Library. Suites of rooms have been furnished by churches or individuals. The only necessary expenses of the student are for board, fuel, gas, text-books, the care of rooms, washing, and for such special damges as the property of the Seminary may suffer at their hands. Good board can be aad in private families in the neighborhood of the Seminary for $2.50 or $3.00 a week.

Pecuniary Aid. — From the American Education Society, supplemented by the Western Education Society and the Scholarship funds of the Seminary, a total of one hundred and fifty dollars a year for students in the regular course, and one hundred and twenty dollars for those in the special course, is furnished to those who cannot provide the means to pay their own expenses without undue delay in their studies, and who give promise of usefulness in the ministry. Students also receive medical attendance in case of illness without charge, and enjoy opportunities for earning money by teaching, mission work, and preaching.

Application for admission or for catalogues may be made to the Professors, or to Rev. M. F. Hollister, Secretary and Treasurer, 45 Warren Avenue, Chicago, Ill.

By its organization the Seminary is closely allied to the churches through the Pastoral Union, which annually elects the trustees.

The plan of instruction is so arranged as to make the study of the Bible the chief feature of the entire course. The patrons, guardians, and teachers of the Institution are persuaded that an exegetical and experimental knowledge of the Divine Word should be sought first of all by candidates for the gospel ministry. They also believe that scholarly investigation, controlled and tempered by the spirit of truth, justifies unfaltering adherence to the doctrinal system set forth in the creed of the Pastoral Union, to which the professors annually give their assent, and which is in accord with the historical belief of New England Congregationalism, as embodied in accredited formulas. The effort is made to bring the several departments into such relations as shall give both scientific and vital unity to the course of instruction.

It is the aim of each professor to strengthen, on the part of the students, the habit of personal investigation. Daily drills bring teachers and pupils into such close relations as favor mental activity and appropriate criticism, the purpose being to train as well as to teach, to illustrate correct methods while their results are presented.

Terms of Admission.— Candidates for admission are expected to produce evidence that they are members of some Christian church, and that they have graduated at some college, or have made such literary acquisitions as, in the opinion of the Faculty, are an equivalent preparation for theological studies. They will be examined in reference to their personal piety and their motives in seeking the ministry.

Beside lectures on Congregationalism, moot councils are held from time to time, for the purpose of making the student familiar with the principles and usages of our church polity.

Instruction is provided for all the classes in ecclesiastical music throughout each year.

Expenses.— No charge is made for tuition, room rent, or the use of the library. The rooms are supplied with the necessary articles of furniture.

Arrangements for board, at a common table, are made by the trustees.

The average cost of board has been $3.50 per week. To aid in meeting this expense, several scholarships have been endowed. Further assistance will be furnished in proportion to the necessities of each student, at the discretion of the Faculty. Fuel and lights may be estimated at from $10 to $15 the year for each room. The American Education Society renders aid to the amount of from $75 to $100 annually. Students who are licensed have occasional opportunities to preach for compensation.

Calendar. — There is but one term of study in the year, which begins on the third Thursday of September, and closes on the second Thursday of May. Students have opportunity in the long vacation to engage in some form of Christian activity, from which they may derive religious advantages and practical knowledge, as well as pecuniary benefit.

Persons desiring to join the Seminary are invited to address the Dean of the Faculty, from whom they will receive any needed additional information.

DEPARTMENT OF THEOLOGY IN OBERLIN COLLEGE,

OBERLIN, OHIO.

Opened for service in 1835.

FACULTY.

Rev. JAMES H. FAIRCHILD, President, Finney Professor of Theology and Moral Philosophy.
Rev. WILLIAM G. BALLANTINE, Professor of Old Testament Language and Literature.
Rev. G FREDERICK WRIGHT, Professor of New Testament Language and Literature.
Rev. ALBERT H. CURRIER, Holbrook Professor of Sacred Rhetoric and Pastoral Theology.
Rev. FRANK H. FOSTER, Professor of Church History.
Rev. WILLIAM B. CHAMBERLAIN, Instructor in Elocution.
Rev. JOHN LEADINGHAM, Principal and Professor of Theology in the Slavic Department.
Rev. EDWARD I. BOSWORTH, Professor of the English Bible.
Rev. A. HASTINGS ROSS, Special Lecturer on Church Polity.
Rev. JAMES DOUGLAS, Douglas Lecturer on the Relations of Science and Religion, and on Comparative Religion.

The Department of Theology is open to the admission of students of every denomination. A full collegiate education, or its equivalent, is required for admission to the Classical Course, upon the completion of which the Academic Degree of Bachelor of Divinity (B. D.) is conferred.

CLASSICAL COURSE. — This has recently been greatly enlarged and rearranged upon the elective system. Candidates for a degree are required to have completed work amounting to 1,168 hours of lectures and recitations (besides elocutionary and rhetorical work). Of this work, 649 hours are required, including courses in Exegesis of the Greek New Testament, Natural and Revealed Theology, Church History, Homiletics, Relations of Science and Religion, and the Forms of Modern Scepticism

In addition, 1,252 hours of elective work are offered, of which the student must elect at least 519 hours. The elective courses include Hebrew and Old Testament Exegesis, Old Testament Introduction and Theology, Aramaic, Septuagint Greek, New Testament Exegesis, Church History, History of Doctrine, Church Polity, Homiletics, and Pastoral Theology.

ENGLISH COURSE. — This is to prepare mature men for the ministry in two years. It includes preparatory studies in Rhetoric and Philosophy, 340 hours Exegesis of the English Bible, Special Lectures, and the full course of Systematic and Practical Theology.

SLAVIC DEPARTMENT. — A department has been opened to train up evangelists and pastors for the Slavic immigrants (400,000 strong) in this country. A Principal, who teaches the English Bible, and a Bohemian-American teacher of the Slavic languages have been appointed. Seven regular students are in attendance. The Seminary has no funds for the work, but depends upon current contributions. An endowment of $50,000 was recommended by the National Council of 1886, and is urgently needed.

LIBRARY. — The Libraries of the College contain over twenty thousand volumes.

COUNCIL HALL, the building devoted exclusively to the Department of Theology, provides fully furnished rooms for fifty students. No expense is incurred for instruction, or for the use of the libraries or public rooms; and the students in Theology enjoy, without charge, the privileges of all the other departments of the College. The price of board is from $2.00 to $2.50 per week, or from $70.00 to $87.50 for the thirty-five weeks of the theological year. Fuel and lights will not cost more than $15.00. Add the charge of $5.00 per term for the care of the building, and the entire *necessary* expenses of the year — not including clothing, travelling expenses, and books — need not exceed $100.00.

Help is granted from scholarship funds contributed by friends of the Department and from the American Education Society. The amount ordinarily received from both these sources does not vary much from $150.00.

The opportunities for students to aid in meeting their expenses are sufficiently numerous. Some are employed as teachers in the Preparatory School connected with the College, and the amount received for teaching an hour each day exceeds the cost of board. Many vacant pulpits in the vicinity are supplied by theological students, for which compensation is rendered. During the summer vacation of fifteen weeks, all members of the Department may supply vacant pulpits in home-missionary and other fields; and such opportunities are abundant.

The year of study in this Department consists of thirty-five weeks in three terms. The anniversary occurs Friday, June 1, 1888. The next year begins Tuesday, Sept. 11, 1888.

PACIFIC THEOLOGICAL SEMINARY, Oakland, Cal.

Opened for service June, 1869.

FACULTY.

Joseph A. Benton, D. D., Professor of Sacred Literature and (*pro tem.*) of Philosophy.
Israel E. Dwinell, D. D., Professor of Homiletics and Pastoral Theology, and (*pro tem.*) of New Testament Greek.
George Mooar, D. D., Professor of Systematic Theology, and (*pro tem.*) of Ecclesiastical History.
Lectures are given frequently by leading pastors of the State.

Regular Studies. — *First Year.* Greek; Hebrew; Sacred Geography and Antiquities. Origin, History, Authority, Inspiration, and Canon of the Bible; Interpretation of the Scriptures; Religions of the World, other than the Christian; Natural Science; Mental and Moral Science; Rhetorical Exercises.

Second Year. — Biblical Theology; Greek; Hebrew; Exercises in the Exposition of the Scriptures; Systematic Theology; History of Doctrines; Rhetorical Exercises continued.

Third Year. — Pastoral Theology; Church History; Church Polity; Homiletics; Rhetorical Exercises continued; Connection of Natural Science with Religion. [An Exercise in Hebrew and Greek Exegesis twice each week during the second and third years.]

Special Studies. — In special cases, particular and modified courses of instruction will be given to those who cannot remain three years, or who, for other reasons, cannot take the full course of three years; and these courses of instruction will be adapted to the necessities of each person, it being understood that every one of this class will continue his studies as long as practicable.

Preparatory Studies. — Young men who have not had the advantage of a collegiate course, and who are, for good reasons, debarred from the prospect of such a course, are enabled to pursue literary and scientific studies under the direction of the professors in the Hopkins Academy, immediately associated with the Seminary. These preparatory studies will vary with the requirements of each student.

Calendar. — The year consists of but one term, and begins with the first of September and ends with the middle of May. There will be a recess during the Christmas holidays. Students should begin promptly with the term.

Terms of Admission. — Credible evidence of piety, membership in some evangelical church, a collegiate education, or such other literary and scientific attainments as promise a fair degree of usefulness, will entitle all young men to the advantages of this Seminary. The benefits of the institution are accorded alike to students of all denominations of Christians.

Expenses. — There will be no charge for tuition, rent of rooms, or use of furniture. The trustees will, as far as practicable, furnish text-books free to those who are in need, themselves being the judges of the necessity. Those who desire it can board on the premises at the rate of $3.00 per week. Fifty cents additional will be charged for washing.

Pecuniary Aid. — The American Education Society will render aid to the pupils of this Seminary who are needy, who are college graduates, and who take the full course of three years. The amount bestowed will be, when possible, $100 a year to each beneficiary. Seven paying scholarships yield an average of about $130 each per year to six beneficiaries.

An endeavor is continually made to provide for *all* the wants of every young man who wishes to take the full course of study, and every such person is urged to come to the Seminary, whether he has any means of his own or not. It is believed that the necessary expenses of a Theological School are less here than anywhere else in the Union.

No happier situation is known than the one occupied by this Seminary. The climate is unequalled for stimulating qualities, for mildness, and for general fineness. It is favorable to study every month in the year. It is a cure for many forms of invalidism. The scenery about the site is not inferior to that of the far-famed Bay of Naples itself. Both the beauties and the grandeurs of nature are within reach; and, to some extent, those of man, also.

Relation to the University. — The Divinity School is one of the Departments of Yale University. Its members receive from the Corporation, on completing their three-years' course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of the Fine Arts. They are permitted to attend free of expense, so far as will not conflict with their professional studies, the lectures and recitations in the College and the Sheffield Scientific School, and, if expecting to become foreign missionaries, those of the Medical Department.

Course of Study. — The first year is devoted chiefly to Hebrew and the Exegesis of the Greek New Testament; the second year to Systematic Theology, Church History, Old Testament Biblical Theology, and Church Polity; the third year to Sacred Rhetoric, the History of Christian Doctrine, and New Testament Biblical Theology. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars in this country and Europe. There are also optional classes conducted by the Professors in New Testament Introduction, German, Syriac, and Chaldee. Once a week there is a rhetorical exercise for all the classes. Instruction in vocal culture and elocution is continued through the entire course.

Graduate or Fourth-Year Class. — Students who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, established eight years since, in which advanced studies in Theology are pursued under the direction of the Professors.

The Libraries of the University, to which the students have access, including the Reference Library of the Divinity School, contain about 180,000 volumes.

The Hooker Fellowship, for the encouragement of further theological study in this country or abroad, the income of which is $700 a year for two years after graduation, is offered to the class entering in September, 1888.

Expenses. — There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bedclothing. The chief expenses for the session are for board, $3.25 to $3.50 a week; fuel and light, $25 to $30; and $10 a year for care of room and incidental expenses.

Scholarship Funds and other Aids. — Students whose circumstances require it are aided to the amount of $100 a year, from the income of scholarship funds. Additional aid to the amount of $75 is afforded by the American Education Society to its beneficiaries.

Commencement of the Term. — The present annual term of study began on Thursday, Sept. 22, 1887, and continues till the third Wednesday in May (anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence. The next annual term will begin on Thursday, Sept. 20, 1888.

Application for Admission. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual Catalogue containing further information, may be made to the Secretary, Prof. George E. Day, *New Haven, Conn.*, or to any other member of the Faculty.

a These special students at Chicago are ranked, 6 with the Senior, 26 with the Middle, and 36 with the Junior classes, and 12 are not classified; 13 in the German, 15 in the Dano-Norwegian, and 24 in the Swedish departments.

b At Oberlin, 7 of the special students are in the Slavic department, 4 Seniors and 3 Juniors, 16 are Juniors in an English course, and 10 are not classified.

NOTE.—If the Advanced or Graduate class were included among the students as well as the undergraduates, the totals would be increased to 446.

COLLEGE EDUCATION OF THE UNDERGRADUATE STUDENTS.

In this table, a number in parenthesis denotes that that number, although once connected with the college mentioned, did not complete the course. The figures not in parenthesis denote graduates of the college mentioned.

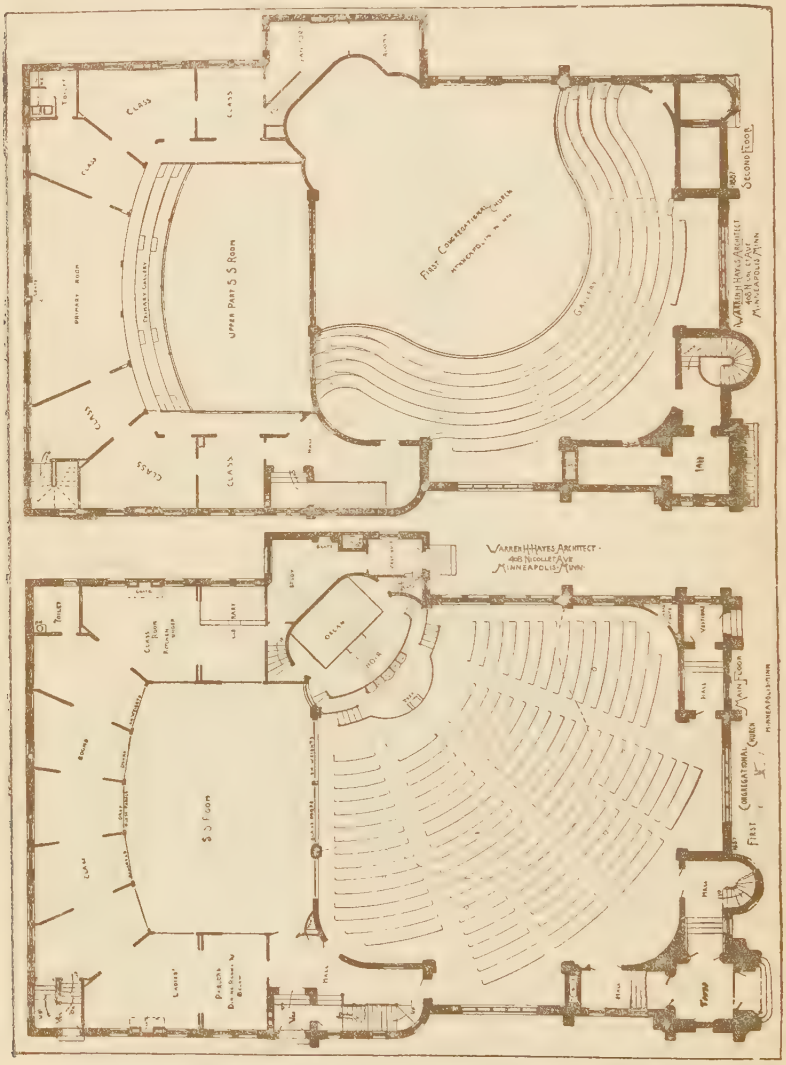
FIRST CONGREGATIONAL CHURCH, MINNEAPOLIS, MINN.

Warren H. Hayes, Architect, Minneapolis.

This building, dedicated March 4, 1888, is in modern Romanesque style, and is constructed of Lake Superior brownstone, rock-face, with cut stone finish. Its special features are the blending of the lines of construction to the perfect satisfaction of the eye; the ingenious adaptation of ancient ecclesiastical form to the service of the varied needs of a modern "live" church; and the comparatively small expenditure at which both beauty and serviceableness have been secured.

Externally the building is a rectangle, one hundred by one hundred and forty-two feet, broken, and relieved on its two street fronts by towers and bays. The spire on the corner is one hundred and seventy feet high, and smaller towers



are located, one on the other front corner and one on the Eighth Avenue side. There are three public entrances, one in each tower, admitting to spacious, double vestibules, besides separate entrances for the choir and to the dining-rooms. The main auditorium is seventy-six feet square, with seating capacity of eight hundred,

and when the growth of the congregation demands greater seating capacity, a gallery will be put in, preparation having been made for such an addition, to seat three hundred and seventy-five more. Opening from the main auditorium is the chapel, fifty-six by one hundred, radiating from which, and divided into two stories, are rooms of various sizes, used for Sunday-school class-rooms, the janitor's rooms, and a convenient and roomy study on the second floor for the pastor. The chapel opens into the main auditorium, and each of the class-rooms into the chapel by glazed doors, which are balanced by iron weights on wire cables, and are made to drop into the floor; a flap of the carpeting neatly covers them, and when down their presence would not be suspected. When necessary all the rooms can easily be thus opened into one, the combined seating being above fourteen hundred, and when gallery is added, about eighteen hundred.

The arrangements of seats — which, like other peculiarities in construction, originated with the architect, Mr. Hayes, and are being already extensively copied — is specially desirable for its economy of space, and the fact that it does away with all undesirable sittings, the rooms being free from columns. The pulpit is in the corner opposite the main entrance, the seats being arranged in a circular manner, and the floor graded on a vertical, increasing curve, so that each person has the same clear angle of view. Back of and three steps above the pulpit are the choir and pipe organ. The ceiling is finished in a deep cove, with a richly decorated dome in the centre. The acoustic qualities of the room are perfect, and unusual room is given to window area, in order to secure a bright and cheery interior. All the interior woodwork, including seats, is of oak; the pulpit, chairs, communion table, font, and mantels are elaborately carved.

The chapel and Sunday-school rooms are finished in pine, natural grain, and creosote stain. In the basement are two large dining-rooms, serving-room, kitchen, pantry, boiler and fuel rooms. The entire building is lighted by gas and wired for electricity, heated by steam, and provided with toilet-rooms and all plumbing conveniences. The ventilation was given special care, and is thoroughly effective.

The grand pipe organ (with the hydraulic motor), the gift of Hon. J. S. Pillsbury, was built by Steere & Turner, of Springfield, Mass., at a cost of fifty-eight hundred dollars. Musical experts of this city consider it a very fine instrument.

The total cost of the building, furnishings, and lot complete was a trifle over seventy-six thousand dollars. The *building* was erected, including *glass, frescoing, pews, plumbing*, and *heating apparatus*, not including lot, furnishings, and organ, for fifty thousand dollars. On Jan. 1, 1888, two months before it was ready for dedication, the cost of its erection had been provided for to the last penny.

Those of our people about to build whose needs are approximated in this plan should not intrust their interests to another, and get only a parody on the original, as has been done in some cases, but would do well to write to, or call upon, Mr. Hayes, at his office, 408 Nicollet Avenue, Minneapolis. He has made church architecture a special study and practice in his profession for seventeen years.

The above general arrangement was first planned by the architect four years ago, as embodying the best points of all his preceding studies.

It is an ideal *modern church building* in "beauty, strength, utility," and in economy of cost.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

The following pages contain the statistics as collected in 1888 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. With the exception of Illinois, Minnesota, and, in part, of Kansas, they are all of date, 1 Jan., 1888.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows: —

1. The Statistics of the Churches and Pastors, by States.
2. List of Congregational Ministers in foreign lands.
3. List of Ministers not in pastoral charge of Congregational Churches.
4. General Summary Tables for the year.
5. Tables of Summaries. 1858–1888.
6. Remarks upon the Statistics and Minor Explanations.
7. The National, State, and Local Organizations of the Churches, with Officers, and dates of sessions in 1885.
8. Alphabetical List of Ministers, with P. O. address, and indexed to pages.
9. Alphabetical List of Licentiates.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make each State list to conform strictly to the *State boundaries*. Churches or ministers reported by the Association of a State other than their own are, therefore, transferred to their proper places; and the summaries are correspondingly corrected.

3. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church membership and Sunday schools, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations are specifically mentioned with the State summary, so that each church can be traced from year to year.

4. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof-sheets have been sent to secretaries and some Home Mission superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

5. To *complete* the statistics by (1) giving in some form every statistical fact obtainable, — items given by some States, but not by all, being aggregated with the respective State summaries; and (2) putting into finished State and general summaries, with "totals" in all cases, everything capable of it; so that no person in search of any statistical fact shall be obliged to perform any arithmetical calculation to find it.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since the date of State report; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. The tables are *not* a postal guide to the addresses of ministers, and any person so using them runs the risk of error.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked *p.*; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. Post-office addresses of ministers in pastoral service are not found in the tables of churches, but in the General Alphabetical List of Ministers.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person designated is found in the original State alphabetical list, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so last year and may be presumed to be *in transitu*, but is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in each State summary. No ministers of other denominations (if so known) are inserted in the General Alphabetical List. Some ministers belong to the two denominations at once.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." "Additions," "Removals," and "Baptisms" cover the twelve months next preceding the date of report given with the name of each State. Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

10. Careful effort is made to give, with the name of a church, its *post-office address* if it be different from the name of the place, and progress has been made. The limits of the column, made narrower this year by increase of the number of columns, have made it necessary in some cases to name the post-office in the margin, but whenever possible, even by omitting the letters "p. o.," the name is placed in the line. In most cases where the second name fills the space without "p. o.," those letters are to be understood.

NOTE. — But few States reported the items for this important table. The ordinations, etc., for those not reporting, are therefore compiled from preceding lists.

Lists of new and dropped churches are given with the Summary of each State.

The gains marked "*a*" above are only gain in reports, being gain over "no report" last year. The losses marked "*b*" are, similarly, loss by such as reported last year, but make no report this year.

Blanks signify no report, and our necessary ignorance.

The total of Members is greater than the sum of males and females, and total additions and removals are sometimes greater than the sum of particulars, because totals are sometimes reported alone. The *proportion* of males and females is, however, correct. "Absent" are included in males, females, and total.

As to "Contributions" and "Home Expenditures," in the earlier years reported above, it will be seen that this table is more an exhibit of the number of churches reporting than of totals raised. Before the issue of 1867, one half of the churches did not report either item; many States did not have the item in their schedules. But the more recent reports, while far from complete, are full enough for some consistency and a basis of reasonable comparisons and deductions.

In this table, the "new" churches are occasionally such as were previously "dropped," or have not been previously reported.

Under "Died" (Ministers), until 1873 no account was kept to distinguish between "acting pastors" and "without charge." The difference between "pastors" and "totals" includes these two classes. The fluctuations under "Benevolent Contributions" are greatly due to more or less full reports. See the annual *number of churches reporting* in table next above.

LIST OF MINISTERS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries, or in the list of ministers without pastoral charge. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated; but the best possible has been done.

Licentiates are not included in this list, nor are ministers of other denominations. A list of licentiates follows this list.

Names of persons in last year's list, deceased since the issue of 1887, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in a single letter and pronounced alike are treated as one name, but spelled according to report. Browne, Clarke, Curtiss, Griffith, etc., and names beginning with Mac. or Mc. are among this number. Names beginning with Mc. or St. are arranged as if the word was not abbreviated.

Letters for our missionaries will be addressed to the care of the society mentioned with the name, such societies (initials) being (as are all foreign addresses) in *italics*.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of person approved in the State mentioned, no residence being reported, 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person resides elsewhere.

ESTABLISHED JAN. 1, 1874.

Don't confound our firm with any other through similarity in sound of name or title of Investor's Guide.

Knox's Investor's Guide sent Free on Application.

THE METHOD.

We loan only on first mortgages on property worth at least double the amount of loan, and in every case require: —

(1.) A written description on blanks for that purpose of the property offered as security, signed and sworn to by the borrower, and value certified to by two disinterested parties.

(2.) An abstract of title written up from the records by an experienced party, and certified to as to title, judgments, liens, taxes, etc.

(3.) This abstract of title, from the Government down to the present owner, is submitted to an experienced attorney, and no loan is made unless the title is approved by him.

(4.) A mortgage is taken and recorded, securing the payment of the loan, and interest thereon as specified in the semi-annual interest coupon notes, and binding the mortgagor to keep all taxes paid, and all other assessments that may be made against the property, and to keep the buildings insured in those cases where insurance is necessary; and in case of default in the interest, taxes or insurance, the mortgage may be foreclosed.

(5.) The notes are made payable at the banking house of JOHN D. KNOX & CO. We collect and remit, free of charge, the principal and coupons of any mortgage bond negotiated through our office, 620 Kansas Avenue, Topeka, Kansas.

RULES AND SYSTEM.

(a.) To loan only on first mortgage.

(b.) Not to exceed 40 per cent of the value of the property mortgaged

(c.) To make thorough investigation as to the title, which must be perfect.

(d.) To loan only to good borrowers who will use the money to improve and enhance the value of the property mortgaged.

(e.) To make examination of the property, either personally or through some one known to us as thoroughly reliable.

(f.) To make no loans except on desirable and productive Real Estate.

HOW TO OBTAIN MORTGAGES.

There is no expense attached to the procuring of these mortgages. Send the money to be invested to us, by bank draft; it will be promptly receipted for, and will be invested in due time, when the following four papers will be sent to the investor: —

(1.) An application for the loan, showing the location, character and value of the security.

(2.) Our attorney's opinion, showing the title perfect.

(3.) The bond for the amount loaned, with half-yearly interest coupons attached.

(4.) The mortgage securing the obligation, duly recorded.

Interest will begin ten days after receipt of the money, whether invested at that time or not.

There are many persons who have surplus funds they could let out for six months or a year at a time, but anticipate using them in less time than the usual term of mortgages, say three to five years; to such we offer our

TIME CERTIFICATES OF DEPOSIT.

In connection with our regular banking business in discounting notes, buying bonds and mortgages, we can use money to advantage, and offer the rates named below for deposits for a specified time, and issue our certificate of deposit, available in all parts of the country.

For twelve months, 6 per cent per annum.

For six months, 5 per cent per annum.

If the above facts enable you to decide to invest, remit in exchange with your instructions to

Hymns of the Faith.

A HYMN AND TUNE BOOK

For Congregational Use. With Psalms.

Edited by GEORGE HARRIS, D. D., and WILLIAM JEWETT TUCKER, D. D.,
Professors in Andover Theological Seminary, and E. K. GLEZEN, of Providence.

12mo, cloth, $1.50; leather, $1.75; full levant, $5.00.

From Rev. LOUIS F. BENSON, *Pastor of Eastside Presbyterian Church, Philadelphia.*

"Taking it all in all, it is the best book for the common worship of the church obtainable. Its merits I knew, its availability and popularity we have tested by use; and minister and people cordially unite in its praise."

From Rev. W. V. W. DAVIS, *Worcester, Mass.*

"It was chosen by our committee after a careful examination of all others published in both England and America. We thoroughly enjoy the book."

From Miss ANNIE E. JOHNSON, *Principal of Bradford Young Ladies' Academy.*

"It cultivates a higher conception of Christianity in its daily outward manifestation. The music is dignified always, and the tunes seem to us admirably chosen to express the sentiment of the hymns, while they have not proved difficult in use."

From CHARLES H. MORSE, *Director of Northwestern Conservatory of Music, Minneapolis.*

"This is the finest book I have ever seen for congregational worship, and will, I trust, mark a new era in our Protestant church music."

From the Christian Union.

"The hymns are uniformly of high character. It is a noble addition to our manuals of praise."

From The Advance.

"The total impression of the book is that it is a judicious and high-purposed piece of work, neither too conservative nor too radical to prevent its widespread use among our churches."

From The Congregationalist.

"These psalms and hymns speak for themselves, and we have no hesitation in the judgment that for richness, fitness and variety in that department, the collection is pre-eminent."

THE CONGREGATIONALIST

AND BOSTON RECORDER.

ESTABLISHED 1815.

THE NATIONAL DENOMINATIONAL ORGAN.

THE OLDEST RELIGIOUS NEWSPAPER IN THE WORLD.

The CONGREGATIONALIST *is a family religious journal (weekly) which in all its various departments, Editorial, News, Sunday-school, Juvenile, Literary, Home, etc., aims to keep fully abreast of the times. It has a staff of six editors in the home office, besides an editor in New York and in Chicago, and a list of contributors which includes many eminent men and women in all departments of Christian thought and activity.*

(1.) Every good home should have its own family religious newspaper.

(2.) THE CONGREGATIONALIST is admitted to be one of the best family religious and literary journals in the world.

(3.) Articles, stories, poems, and essays from THE CONGREGATIONALIST are constantly found quoted in many other journals, North, South, East, and West.

(4.) Every minister and every intelligent layman ought to know what other churches are doing and planning to do. See THE CONGREGATIONALIST.

(5.) Short sketches from the best writers, such as enlist the interest of old and young in the family circle, are a specialty with THE CONGREGATIONALIST.

(6.) To its "Department of Literature" and "Book Reviews" special attention and large space are given in THE CONGREGATIONALIST, sweeping the whole horizon of current thought and literature.

(7.) Many of the most eminent writers, men and women of various denominations, are constantly represented in THE CONGREGATIONALIST.

(8.) Among the main questions, always kept at the front in THE CONGREGATIONALIST, are Christian theology in its relation to modern thought and modern life; temperance, and the protection of the home against the saloon; missions; revivals; education, national, Christian, industrial; the church at work in the Sunday school and through the Sunday school; the home; reforms, and whatever pertains to the fast-growing science of applied Christianity.

☞ *The prayer-meeting topics, prepared especially for* THE CONGREGATIONALIST, *are used in a multitude of churches throughout the land. They are found greatly helpful, especially to those who take* THE CONGREGATIONALIST, *as comments on the topic for the week are given in each paper.*

☞ *The explanation of the Sunday-school Lessons in* THE CONGREGATIONALIST *is by Rev. A. E. Dunning, D.D., whose position at the head of the Chautauqua Normal Union movement and work at the Summer Assemblies has made his name familiar throughout the land. His explanation is not only scholarly, but the column is at the same time interesting as an article, even for those not in the Sunday school.*

☞ *Professor Austin Phelps, who, perhaps, has no peer as an author of devotional and religious articles, writes only for* THE CONGREGATIONALIST.

☞ *In the Home Department of* THE CONGREGATIONALIST *no pains have been spared to secure the ablest writers on all topics pertaining to social and family life. The best methods for training children are made specially prominent, and mothers, in particular, find this page of the paper full of helpful suggestions. Year by year we are putting more work into this department, finding that there is a steadily increasing interest among our readers in the subjects which come within its province.*

LAUDES DOMINI

From Rev. R. S. Storrs, D. D.

Brooklyn, Feb. 16, 1892.

The new edition of "Laudes Domini" is as elegant in its physical make-up as if intended for a sumptuous gift-book, while its rich pages present the choicest expression that hymn and music have yet given to Christian thought and devotional feeling. I heartily congratulate all who have been connected with it.

R. S. STORRS.
